1. Please ensure that the applicable shipping container(s) are securely closed and ready for shipping.

Ecoship Sharps (if applicable) - please make sure that all sharp container lids are securely closed and locked, and safely placed inside the Ecoship Sharps box with the lid securely closed.

Ecoship Pharma Pails (if applicable) - Please ensure that all waste has been placed inside the pail, and the gasket lid has been safely closed before you ship the Ecoship pail. Please note, tamper strips are not to be removed from the lids.

2. Complete the service request form completely and send to Daniels via Fax or Email:

Fax: 1-888-793-2956 or 888-952-5580 | **Email:** canada@danielshealth.ca

3. Once Daniels has received your service request form, Daniels will make the request of Purolator to pick-up your container(s).

4. Place the pre-paid return Purolator bill of lading(s) inside the clear plastic pouch provided by Purolator (otherwise known as a Labelope), and affix onto the lid of the shipping container(s).

Things to remember

▶ **Do not call Purolator directly to request service.** Daniels will manage this on your behalf.

▶ **Applicable for Ontario locations only**, the GTA includes includes Durham, Halton, Peel, York Region, Metro Toronto and Quebec. If you are located within the GTA, Daniels will service your location directly. If you are located outside the GTA, your container(s) will be shipped back to Daniels via Purolator.

▶ **Each new shipping container you receive from Daniels should include:**

1 x Pre-Paid Return Purolator Bill of Lading

1 x Purolator Labelope

1 x Service request form

▶ **What is a labelope?**

A labelope is the plastic pouch that you affix to your package to securely hold your bill of lading. Once the bill of lading is printed and folded in half, you simply insert it into the labelope and affix it to your package, ready for pickup. Then, you are ready to have your container picked-up.

▶ Please call our office on 888-952-5580 with any questions.
